6. Scouts should follow all reasonable directions from any adult or junior leader in charge. Failure to comply is seen as disrespectful and disobedient, and will not, under any circumstance, be tolerated.
7. When the Scout Sign goes up, everyone should remain quiet with their hand showing the Scout Sign as well.
8. Fighting and arguing, whether physical, verbal, etc. is not allowed and will not be tolerated

18. The Scoutmaster, along with counsel from the Assistant Scoutmaster(s) and the Junior Leaders, reserves the right to determine other forms of unacceptable behavior as they occur.

# Discipline Policy

It should be the responsibility of the Scoutmaster and the Junior Leadership to supervise the discipline of a Scout found in violation of the abovementioned Code of Conduct. It should be brought to the attention of the Junior Leadership and/or the Adult Leadership of a violation or any unacceptable behavior. Any disciplinary action should be clearly established and communicated to Scouts, parents, leaders, and that the Scouts have a right to know the consequences for breaking the rules.

When a scout is found by another Scout or Scouter to be in violation of the Code of Conduct, or a problem arises among the scouts, it should be first brought to the Junior Leadership. The Scout should notify the SPL/ASPL of the problem and it will be taken care of. If the SPL cannot resolve the conflict or the infraction is severe, the SPL should immediately consult the Scoutmaster, along the Scout in question.

## Disciplinary Action

If and when discipline problems may occur that need more than a reminder from the Scout's peers or supervising adults, one or more of the following steps may be taken:

### 1<sup>st</sup> offense:

Verbal Warning – The first course of action is to have the Junior Leadership resolve the conflict. The SPL/ASPL/PL asks the Scout in question to discontinue the inappropriate behavior. They make sure the Scout knows the nature of the offense, and seeks ways to correct the issues resulting. The Junior Leadership will communicate to the Adult Leadership that “Timmy Tenderfoot” or “Eddie Eagle” has been verbally warned

### 2<sup>nd</sup> offense:

Time Out – This can take the form of being set aside from a Troop meeting, sitting in a tent on a campout, or sitting away from the Troop/Patrol in general. Time Outs should be given in five minute intervals and added onto if negative behavior continues. The Junior Leadership, once again, will notify the SM of any disciplinary action in this manner, especially a time out in excess of 10 minutes. A Time Out counts only as time spent quietly where the scout has been asked

3<sup>rd</sup> Offense: The Adult Leadership should be immediately notified upon the 3<sup>rd</sup> Offense, and any offenses following:

- Essays: The Adult Leaders may require the Scout to write an essay about their behavior in some fashion
- Apology Letter: The Scout may be assigned to write a letter of Apology when deemed appropriate by the SM and the SPL. The letter must be given to the SPL for review at the next PLC Meeting.

### 4<sup>th</sup> Offense

Probation: A Period of time may be given to the Scout to continue with Troop activities, and prove that an issue was isolated. During this period, “Scout Spirit” must be demonstrated. If not, then the next course of action will be a Troop Suspension.

### 5<sup>th</sup> Offense

Suspension from the Troop: Any and all suspensions will be voted on by the Troop Committee, as well as will be the tenure of the suspension. Depending on the severity of the action and/or pending Scoutmaster Recommendation, the Committee may also vote on Expulsion

Expulsion: The Scout will not be permitted back into the troop or at any Troop Functions permanently.

Additional Consequences

Consequences of not following BSA and/or Troop 742 rules will be the Scoutmaster, and/or the Junior Leadership applying on or more of the following:

1. Conference with Scout and/or parents
2. One-to-One sincere apology with Scoutmaster present
3. Review of rank advancement due to failure of “demonstrates Scout Spirit” requirement.
4. Removal from position or office. Potential ineligibility for election or appointment to leadership post.
5. Review by Disciplinary Review Board. Called for by SM/ASM/CC
  - a. Consists of Troop Committee
  - b. Has the option of Probation, Suspension, or Expulsion
